

## THE UNIVERSITY GOZO CENTRE

The University Gozo Centre was set up in 1992 with the aim of assisting in the logistical aspects of degree and diploma courses which are from time to time offered in Gozo by the University of Malta. The Centre also offers its own short term courses and caters for the needs of Gozitan students following courses in Malta and in Gozo. The Centre organises social and cultural activities for the general public. The University Gozo Centre benefits from ongoing support by the Ministry for Gozo.
